Mr. J. E. Curry
Chief of Police

Subject: Roscoe Anthony White, Police Applicant

Sir:

The results of this investigation disclosed a favorable report on the applicant. He has two brothers-in-law who have an arrest record with the Dallas Police Department.

The applicant is 27 years old, and was born in Glenwood, Arkansas. His mother and father separated when he was nine months old, and she later married D. B. Rogers and moved to Paris, Texas. The applicant lived with his grandfather, J. W. Harrington, in Foreman, Arkansas until he finished high school (1954); then, went to Paris, Texas and lived with his mother and stepfather until he entered the service in 1957.

On November 11, 1956 he was married to Miss Geneva Ruth Toland. They have two children, ages 4 years and 2 years. They moved to Dallas, Texas in December, 1962 and they are buying their home at 1226 N. Morocco in Arcadia Park. This is a two-bedroom frame house in very good condition it is nicely furnished and is very neat and clean.

The applicant's wife has been working as a waitress at the Cattleman's Restaurant in Preston Center. In August, 1963 while at work, she fell and received a head injury. She has not been able to work since then, but stated she thought she would be able to go back to work soon. She states that when her husband first made application for the police job (December 12, 1962) she told him that she did not want him to be a police officer, due to the dangerous work, but that he did not seem satisfied at the insurance company, so it would be okay if he wanted the police job, as long as he did not have to be out of town. She further stated that while he was away in the service that she was sick all of the time, but since he had come home that the doctor said she was okay, and as long as she knew where her husband was she would not worry, even if he was working nights.

EDUCATION:

The applicant graduated from Foreman, Arkansas High School, May --, 1954. (Information taken from diploma).

EMPLOYMENT

Mr. D. B. Rogers, 214 NE 28th Street, Paris, Texas. Applicant's stepfather stated:

"We moved to Paris in 1953. Rock stayed in Arkansas with his grandfather until he finished high school in 1954. He lived with us and worked for me at the saw mill until he went into the service in 1957. He did go to Fort Worth for about three months in 1956 and worked for Corvair. He was a hard worker and never did give me any trouble."

The applicant was employed by Corvair Corporation, Fort Worth, Texas, May 8, 1956 and quit for other employment on July, 28, 1956. He is eligible for rehire.

(Above information from Mr. J. M. Langford, Security Division, Corvair. The applicant did not list this employment on personal history statement.)

SERVICE:

The applicant enlisted in the United States Marine Corps for four years. He held the grade of Sergeant E-5 received a good conduct medal and was recommended for reenlistment. No time lost due to misconduct. On December 4, 1962 he received an honorable hardship discharge due to his wife's health. (Condensed)

Applicant worked for Mr. Joe Ware the owner of a garage in Paris, Texas for two weeks in December of 1962. (Condensed)

Mr. A. L. Fletcher Manager American National Insurance Company, 2415 West Illinois, Dallas, Texas.

"Mr. White has been employed here since December 17, 1962 as an agent. Up until about two months ago he was doing real well. His weekly salary averaged about one hundred dollars per week. It seems that he has lost interest in the job and has been spending too much time at home. I am sure that he has some kind of problem with his wife. I do not know what it is as he has not talked to me about it, but I think she tells him what to do and does not want him away from home. I don't think it

is anything that can't be worked out but I don't know if the police job will be the answer. I think he is going to have to make up his own mind what he wants to do and stay with it.

I have just known Mr. White since he has been working here and will say that he is tops as a man. You could not want anyone better. I have not had one complaint against his character. I hate to loose him and I am sure he would make it here if he wanted to stay, in fact I don't know why he wants to leave.

I have known his wife and her (?) for years and (?)

You can't go wrong in hiring him, if he (?) up (?)

Next paragraph is un-readable.

SUBJECT Request for Assistance from Midland County District Attorney's Office

On December 30, 1987, Inv. J. D. Luckie, Midland County District Attorney's Office contacted the Intelligence Division for information on a former officer, Roscoe Anthony White. Inv. Luckie stated their office had been contacted by White's son, Ricky Don White, who stated he had found a diary, pictures and $200,000 in cash which his dad had left to him and his brother. Mr. White told Inv. Luckie that there was a possibility that his dad had been involved in the Kennedy assasination. Mr. White alledged that his father had known Lee Harvey Oswald and had been involved with an unknown woman who worked at the School Book Depository. Inv. Luckie stated they were just getting bits and pieces from the son, and that he was being very cautious with the information. Inv. Luckie asked for assistance in varifying the information.

Roscoe Anthony White was hired by the Dallas Police Department on October 7, 1963. He attended recruit class #79 from December 4, 1963 to February 28, 1964. Mr. White resigned on October 7, 1965 to accept employment with Page Drugs.

On Monday, January 4, 1988, Inv. Luckie came to Dallas. Inv. Luckie, Special Agent Kenneth Bersano of the FBI, and I, attempted to locate a Savings and Loan described by Ricky White, which allegedly held a safety deposit box containing $200,000.00. We were unable to discover the location. I gave Inv. Luckie and S. A. Bersano all the information we had on Roscoe White.

January 26, 1988, I was contacted by Inv. Luckie, who stated the FBI had taken over the investigation. Inv. Luckie said that the FBI had met with Ricky White, had seen the pictures and diary, and there was nothing to what had been alleged by Mr. White. Inv. Luckie stated he has not been in contact with Mr. White since the FBI talked to him. Inv. Luckie stated he was able to determine that Roscoe White and Lee Harvey Oswald were in the Marines together and both served a tour in a Light Helicopters Unit in El Toro, California at the same time, but does not know if they actually knew each other. He has been unable to confirm that Roscoe White was involved with any woman at the School Book Depository. Inv. Luckie stated that he has been told to withdraw from the investigation and let the FBI handle it.

SECRET

Since we were only assisting Midland County District Attorney's Office with their investigation, and they are now withdrawing from the investigation; I recommend this investigation be closed pending further requests for assistance.
